

**INTERCULTURAL CRAFT:** a bridge between traditional knowings and cultures

Newsletter n. 1

On 17 and 18 November in Capannori (Lucca) the **INTERCRAFT** kick off meeting took place. [Terra di Tutti - ITALY](#), project leader, hosted all partners ([University of Florence - ITALY](#), [Odyssea - GREECE](#), [Terra Vera - SLOVENIA](#), [CENFIM - SPAIN](#), [ELISAVA - SPAIN](#), [CSM - ITALY](#)) to launch activities that will be developed on a timeplan of 33 months.

**INTERCRAFT** aims to promote the social inclusion of people from migratory backgrounds in the local social fabric of the territory in which they reside.

**INTERCRAFT**, through the activation of a cultural and professional exchange between young migrants, social workers and local craftsmen, wants to create a new model of shared value among the target groups identified by the project.

The project includes activities that meet the needs of migrants and third-country nationals (TCN) who wish to enhance and exploit their professional skills acquired in their countries of origin, using innovative educational methods to put them in contact with local professions and helping them find a job placement.
