

# INTERCULTURAL CRAFT

**A bridge between  
traditional knowings and  
cultures**

The **INTERCRAFT** project aims to promote the social inclusion of people from migratory backgrounds in the local social fabric of the territory in which they reside.

**INTERCRAFT**, through the activation of a cultural and professional exchange between young migrants, social workers and local craftsmen, wants to create a new model of shared value among the target groups identified by the project.

Co-funded by the  
European Union

A BRIDGE BETWEEN  
TRADITIONAL KNOWINGS  
AND CULTURES

**www.inter-craft.eu**

## KEY OUTCOMES

- **ATLAS MAP**, provides insight into intercultural craft experiences in the EU
- **JOINT CURRICULUM**, a program designed to leverage the existing skills of migrants
- **PILOT ACTION**, a collaborative learning place between Italy, Greece and Slovenia
- **DIGITAL TOOL**, a tool to promote integration and inclusion between migrants

**ATLAS MAP**, analyzes 24 social organizations across EU that are engaged in intercultural craftsmanship and social inclusion. The research, combining desk and field analysis, provides a comparative framework to identify best practices and opportunities for promoting social innovation and inclusion through crafts.

**JOINT CURRICULUM**, composed of 8 different modules:

1. **Crafting Connections for Inclusive Collaboration and Empathy**
2. **Cultural Exchange and Intercultural Competence**
3. **Interpersonal and Soft Skills**
4. **Creativity and Design Thinking**
5. **Craftsmanship and Traditional Knowledge**
6. **Sustainable design and eco-social responsibility**
7. **Digital literacy**
8. **Business and Entrepreneurship**

**PILOT ACTION**, consisted into the realization of a collaborative learning space for the intercultural dialogue between people and skills. From its monitoring, data were collected and an international report was made from which it has been developed the training kit.

**DIGITAL TOOL**, a support element to the INTERCRAFT project. It will work as a social platform:

- **Learning:** sharing of training materials of the Joint Curriculum
- **Making:** digital repository containing videos and tutorials shot during the Pilot Actions activities
- **Showcase:** contains links to the social realities that are partners in INTERCRAFT.
